

Farm to Fork Dinner

August 28th

Be part of a new tradition! Spend an evening with our family as we share a behind-the-scenes look at one of our farms. Reconnect with the land and familiarize yourself with where your food comes from. Local beer, wine and hors d' oeuvres will greet you as you step off the bus into the field. We invite you to explore the corn field for the perfect ear for roasting beside the old red barn. Then, as the sun starts to set, dine in the open air on tables dressed in white linens set in the middle of a field striped with corn, peppers and peaches. Join us for a unique experience as you take a step back to a simpler time. Tickets are on sale now for \$99. Tickets include transportation to and from the farm, food, beverages and unique dining experience! Seating is limited. Reserve your seat soon!
